

Quin Global Tensorgrip G67 adhesive is approved for a wide variety of carpet tile, VCT, and LVT/LVP backings. All products found below have been thoroughly tested with Tensorgrip G67 flooring adhesive.

**Note:** The approvals reflect the results of Quin Global lab testing and do not reflect the opinion or results of the material manufacturers. These statements are not a warranty. Please see our warranty page for additional detail. These results reflect current testing of flooring sample provided to us "as-is".

If you require flooring carpet tiles, VCT, or LVT/LVP to be approved that are not listed, please contact us at <http://www.tensorgrip67.com> to find out how to obtain an approval.
